If you encounter any problems in the using product, please refer to service process. Your support is our strongest power, also your recognition and evaluation are a great encouragement to AWEI. Thank you!

AWEI sales team

Introduction

Thank you for purchasing the model AWEI TA8 True Wireless ANC Function Earbuds With Charging Case. Please read this manual before use.

Bluetooth wireless communications Technology introduction

Bluetooth is a kind of wireless technology which support short distance communications (work normally within a distance of 10M) with it you can exchange information by wireless between many IT digital devices like mobile phones / wireless earphones / computers etc. Bluetooth technology effectively simplify the communications which makes device and data transmission quickly and effectively.

Accessories List

- 2X Wireless Earbuds
- 1X Portable Charging Case
- 1X User Manual
- 1X Type-C Charging Cable

Overview Of Headset

How To Use

User Manual

- Power on: Take out earbuds from charging case / long touch the MFB 3 second.
- Power off: Put earbuds into the charging case, turn off automatically / unconnected device, touch the MFB button for 5 seconds.
- Earphone pairing: Double-click the left and right earbuds.

Pairing

- Single Earbud Connection**
 - Take out one earbud from charging case.
 - Open mobile bluetooth, find pair name "AWEI TA8", click and connect. (When the earbud and phone connect successfully, ice blue light continuous flashing.)

Double Earbuds Connection

- When you take out two earbuds from charging case, earbuds will connect automatically. Master earbuds' white and ice blue light will flash alternately and earbuds start to enter pairing status. (Now earbuds are in pairing and you could open phone or connect other Bluetooth devices.)
 - Open phone or other Bluetooth devices, search "AWEI TA8", click it and connect.
 - Re-connect automatically:** It will re-connect automatically to paired devices. (Premise is that devices' Bluetooth is on and earbuds paired record still exist.)

How To Use

(Note:

- 1. These two earbuds already be paired before delivery. So when you get earbuds, it is unnecessary to pair two earbuds by yourself.
- 2. If both earbuds cannot be automatically paired (i.e. two earbuds are flash white and ice blue lights alternately at the same time), double-click the left and right earphones simultaneously.
- 3. When TWS connect successfully, "L" earphone ice blue and white indicator flashes slowly, "R" earphone white light flashes slowly. Then it's available to connect with mobile. (If pairing is not successful, please put back earphones to charging case and repeat above instructions)

Note:

When your eabuds connected phone and you find one earbuds no sound, you could turn off bluetooth on phone and put earbuds back to charging case. Then take them out again, these two earbuds will paired successfully within 10 seconds, and only white light continuously flashing. You could follow above 1 and 2 steps to connect your phone.
